Repair and Service Request Form

Please complete, print and return this form with your watch so we can expedite the repair process. **With this form, you can type directly into the sections that request information.** Thank you for doing business with Movado Group, Inc. (MGI).

Instructions

1. Complete all of the requested information in Sections I, II, and III.
2. Pack your watch securely in padded wrapping materials (for protection against shock) in a sturdy box sealed with tape. **PLEASE DO NOT** use or send us the 'gift' box your watch came in. Include your warranty card or a copy of the original sales receipt if your watch is still within the warranty period. If your watch is out of warranty, you will receive a Service Estimate indicating all repair costs. Your approval of the Service Estimate is required to complete the watch repairs.
3. Ship your watch to MGI via the courier of your choice, but please choose a method that allows you to track the package for security reasons. Remember to insure the watch for its full replacement value!
4. After we receive your watch, we will perform a thorough inspection in order to provide you with a Service Estimate.
5. You will receive a Service Estimate at the address you have listed above that describes all of the work that is required, the cost (if no longer under warranty), and the approximate time it will take to repair your watch.
6. Your approval of the Service Estimate is required to complete the watch repairs. You may also refuse the Service Estimate and no service will be performed. We will return your watch to you in the condition in which it was received.
7. Pre-Authorization - See Section III below
 - a. If you have preauthorized your repair order up to a specific amount and provided MGI with your credit card information, and the repair is estimated by MGI to cost less than that amount, then your repair order will automatically be proceeded and no estimate will be mailed to you.
 - b. If you have not preauthorized a specific amount for your repair order, or the estimated cost of the repair goes above the preauthorized amount, a Service Estimate will be mailed to you. No work will be completed on your watch until you have approved the repair and have provided MGI with your payment information. To do this, you can either call MGI Customer Service, or fax or mail the Service Estimate back to MGI with the appropriate information. Further details are provided at the bottom of the Service Estimate.
